

Dear Nursery Children and Parents,

We are very excited to write to you again. We hope you and your families are all well and you are keeping yourself as busy as you can be.

We were very pleased to hear from Mia, who's been doing some gardening and has planted a butterfly garden, which has been growing really well. We love the caterpillar and magic wand she has made and want to thank her for sharing these pictures with us!

We have been thinking back about memories from our year so far. Do you remember when we celebrated World Book Day? It was not so long ago when we all came to school dressed as our favourite characters and had so much fun reading so many stories for one day. Do you remember what character you were dressed as? Can you retell the story of the character you dressed as to your grown ups? You can make a picture of your favourite character and have a go at writing the name of your favourite story as well.

Dear Nursery,

I hope you are having lots of fun while spending time with your families. My family and I loved visiting our local park for our daily walk. Last week we spotted some lovely birds. Can you see the beautiful swan nesting in the pond? I can't wait to see the little cygnets and hope to take a picture and show you them once they have hatched. They have reminded me of the story of 'The Ugly Ducking'. Have you read that story before? It's about a little duck that became a beautiful swan at the end. I am looking forward to when we can all be back to school to read that story to you. Miss you lots and hope to see you very soon!

Love from  
Valentina

Hey my loves,

I hope you've all had a great week and are doing things that make you happy.

At the start of the week I went to work, it was great to see and spend time with some of you. I really do look forward to seeing you all again.

On Thursday I went for a drive to Banstead Woods. I spent time walking and taking in my surroundings. There were so many beautiful trees and sculptures, it was a lovely nature filled day but I had to keep an eye on the squirrels, I think they were trying to follow me home!

I also watched a few of my favourite classic Disney movies. Have you watched any good movies recently? Can you draw a picture of your favourite character and have a go at labelling your drawing? Thinking of you all, stay safe and be happy.

Lots of love and hugs, Sherese X
