

Hello to all our Year 2 Children and Families!

Dear Year 2,

The Year 2 team have all been keeping busy at home and have more news to share with you about what we have been doing! We've been trying out some new things and hope you have too! We have loved seeing some of the pictures of learning you have done at home!

More memories!

Do you remember when the whole school took part in the 'Sing Up' day with Mr Prescott?

Your voices all sounded so beautiful and it was amazing to sing at the same time as so many other children in different schools.

What is your best memory of that day?

Can you still remember the words of our song 'There's a power in the music'? Have a look on our website to see the video of us all singing it!

We hope you are enjoying the tasks we have set for you to do at home. Don't forget to try out the '**Rock Stars Times Tables**'! It's a fun way to learn your tables.

Are you reading any great books at home? Keep reading every day if you can and we look forward to hearing your recommendations.

BOOKS COMICS MAGAZINES

Keep reading!

Sapphire 4:

Hello again, lovely Sapphire 4! I can't believe another week has gone by. This week my family all had to cook or make something new and my son had the challenge of cracking eggs for pancakes using only one hand. It was a bit messy but lots of fun! Here is a mocktail I made using orange juice, fizzy water, lemon juice and strawberries! I hope you have been having fun with your families at home too.

Missing you all, lots of love Miss Tigwell xx

Sapphire 4:

Hi again to all of you. As you know I like to dress up and look silly.

This week I have been having fun with my family taking pictures and changing them on Snap Chat on Jack's phone.

I have also been a potato and some broccoli but they were too silly to show you!!

Keep smiling, Gill.

Sapphire 5:

Hello there, guys! How are you all doing? My week was cheered up when I was sent some of your lovely home learning and art work by Ms Barry—it was amazing to hear and see what you have been learning about at home. Keep up with your reading and your home learning—all of us teachers are going to be so excited to catch up with what you've all been up to when we finally get back together! We're excited in our house as tonight is pizza night! Oliver made his first home-made pizzas the other week and they were so delicious that we have made it a weekly thing!

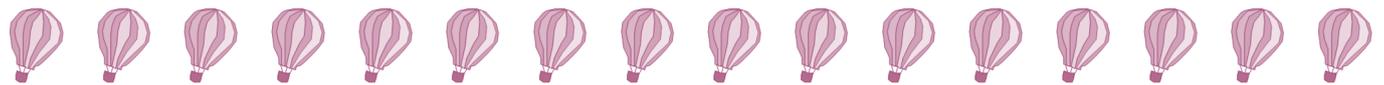

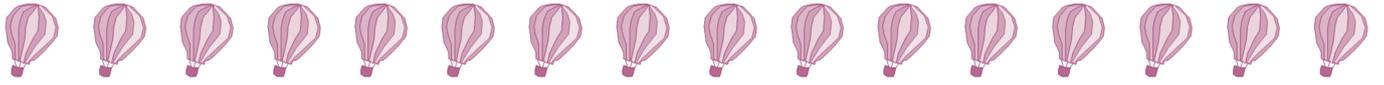

Missing you loads, but thinking of your lovely smiling faces. Lots of love, Charlotte xx

Sapphire 6:

Hello my lovely Sapphire 6! I hope you have all had a good week. Have you enjoyed doing your home learning? I have seen some lovely beach scenes that you have clearly worked very hard on! This week I have been on walks with my family and continued to teach Harry at home. We had a go at planting some chia seeds this week in a smiley face pot. Been thinking about you all. Be safe and be happy! Love Miss Hill xx

We will write again after half term. Take care everyone!
Goodbye for now. Gill, Miss Tigwell, Charlotte and Miss Hill.
