

# Hello to all our Year 2 Children and Families!

Dear Year 2,

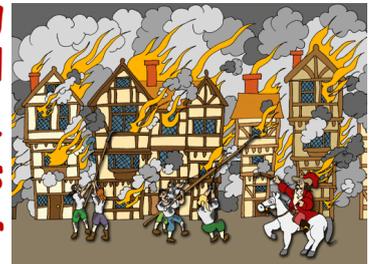

Another week has gone by and we have been looking forward to sharing all our news with you. As you will be able to see on the next two pages, all the year two teachers have had a very busy week.

We have been thinking back about some more memories from our year so far.

Do you remember our dance lessons about The Great Fire of London? Can you remember thinking about the fire and running away from it? What about when we pulled the buildings down? Each of you had different dance lessons. What do you remember about the dance and what did you enjoy?

We have continued to set some home learning challenges on the Year 2 page on the school website. We have a new art challenge for you. We are looking forward to trying the art tasks at home. Maybe next week in our newsletter we can show you the results?

## REMEMBER: KEEP READING!!

### Sapphire 4:

Hello Sapphire 4! I hope you and your families are all well. I've been busy planting lots of things, as you will see in Science. We have also found 3 newts in our pond. They love sunbathing in the weeds and we go out to say hello to them every morning! I'm missing you all and looking forward to being able to see you again.

Love Miss Tigwell xx

You can't wait!

**Sapphire 4:**

Hello Sapphire 4 children, this week my family played a game. We had to Choose an emoji and then reproduce it. I chose a bat emoji. Then I got my silly family to help me to reproduce it. What do You think? Maybe you could challenge your family to do this! What emoji would you choose?

**Sapphire 5:**

Ahoy there, me hearties! It's me, Captain Charlotte! What exciting things can I tell you about today? When I was out for my early morning walk I managed to see a Greater Spotted Woodpecker walking upside down on a tree. Everybody in my house is giving themselves, or each other, some splendid haircuts! Apart from me! I seem to be growing hair everywhere! (As this photo proves!) Missing you tons, but hope you're enjoying your home learning! Love and hugs, Charlotte xx

**Sapphire 6:**

Hello Sapphire 6, so pleased to write to you again. This week I've been trying some new things. Harry and I baked a new recipe, we did some planting in the garden and I've spent some more time reading. I hope you are all giving some learning a go and also maybe trying something new. Missing you all lots, Love Miss Hill x

Sapphire 6: We will write again soon. Keep smiling. Goodbye for now. Gill, Miss Tigwell, Charlotte and Miss Hill.
