

Dear Year 3 Children and Parents,

A big hello to the lovely Year 3! Another week has passed, and although it has been a while since we last saw your smiley faces, we think about you everyday, and wonder what you have been doing. Some children have written letters or drawn pictures and emailed them to the office. What a lovely treat to receive those thoughtful letters and drawings! We loved reading them, so a huge THANK YOU!

Question Time: Would you rather meet a real life alien or a superhero? Would you rather be too hot or too cold? Would you rather speak every language in the world or play every instrument in the world? Hard to decide, right? Why not make up your own 'would you rather' questions and quiz your family members.

Hello E1, I hope you are all well and staying safe, Let's start with a joke. Where do pencils come from.....? Pennsylvania! Haha! Rest assured, I have not lost my amazing sense of humour during lockdown! This week, I have made some more rainbow art. As part of our daily walk, we went looking for arched shaped twigs. Then, we painted them and Jack created a family portrait. We are going to frame it and put it up in Jack's room. Take care and see you soon, Miss Syers

Hi Emerald 2, a big virtual hug to all of you. Have you tried anything new while at home? I have started playing a new role playing game with the other members of my household. It is very fun as we act out all different adventures, mysteries and fights. In the game, I am Lori Swift-River, a male Halfling who has a bow and arrow and is incredibly stealthy, so I can often sneak up on my enemies. I can't wait to tell you about all the adventures I've been on when I see you again! Lots of love, Mrs Barber

Hey E1. Remember last week when I mentioned that I had been keeping busy by drawing with the girls? Well, take a look at our animation style self-portraits. We have been following online tutorials with an illustrator called Rob Biddulph, it is such fun! Why not have a go? I think you would really enjoy his drawing sessions. I have also been thinking about the fun and laughter E1 have had this year; tracking the muffin-stealing troll, a certain someone popping to the cupboard and the stick-insect/ sticker drama! I hope you are laughing lots at home. Love & cuddles, Miss Felix

Hey Emerald 3, hope you are all safe and well. This past week I've been doing 5k runs to keep fit. A few days ago I beat my fastest time! I've enjoyed running as it's a new way for me to keep fit and I can set myself targets to beat. I've also been skipping in my garden and counting how many I can do in 2 minutes. Have you set yourself any challenges since lockdown? Or tried anything new? Looking forward to seeing and hearing about everything you all have been up to. See you all soon, Mr Cole

Guess Who...?

Many moons ago, when travelling in New Zealand, I parachuted over Franz Josef Glacier as part of a tandem skydive.

Who is building a reading light out of this old bottle?

I have hiked on the craters of an active volcano.

I have done a 50,000ft skydive to raise money for charity.

Answers will be revealed next week.

Miss Felix, Miss Syers, Mrs Barber and Mr Cole
