

# Hello Emerald 4, 5 and 6

It has been a few weeks since we have seen you all and we are missing you all so much. We are especially missing all your 'bubbly' personalities, conversations about all the topics we are learning and your thirst for learning. We hope you are taking full advantage of your time at home with your family, learning all your times tables facts, reviewing scientific facts and reading a range of books. Most importantly, try to enjoy this time - before you know it, we will all be back at school.

## Fond memories from this year!

One activity that we all took part in and absolutely loved was the making of the Parthenon. You were all able to use different lengths of wood and elastic bands to make a structure that filled the entire main hall. It was amazing how you all worked in teams to construct a model Parthenon and took part in role play as Greek Gods and other mythical characters. It was clear that you had gathered a wealth of knowledge about life Greek life and mythology.

## Greek Olympics

As part of our topic we took part in competing with Eliot Bank. We took part in events that started in Ancient Greece, some of which we still do today. You designed some fantastic Greek games. You are all a credit to our school, well done!

Take care, from Mr Stephen, Miss Green and Mr Costello.

# Hello Emerald 4, 5 and 6

Hi Emerald 4. I hope you are all doing well at home and enjoying quality time with your family. I hope you are using this time to develop new skills. Try to be creative and use materials you have at home to make new things. I look forward to hearing all about it. Keep yourselves safe. Miss Green.

Hi Emerald 5! I hope you're all well and looking after yourselves. Aside from school work, I'm trying to keep myself occupied to stop myself going mad. I celebrated my birthday with some friends on a chat. Mr Costello was there and so was Miss Green so it's not at all bad. Please take care and keep up with all your school learning (I'm looking at Mathematics) and I will see you all

again soon. Mr S.

Hi Emerald 6! I hope you're all staying safe at home and looking after each other. Keep active when you can and keep attempting our weekly activities we set for you.

Miss you, E6!
