

## ACTIVITY 26 - FAVOURITE SPORT

All the children at Meadowbank Infant School enjoy PE, especially team sports. 48 children said their favourite sport was tag rugby. Tag rugby was more popular than Kwik cricket – 8 fewer children voted for Kwik cricket than tag rugby.

**How many children voted altogether?**

As you want to compare 2 sports, you should draw a bar for each. You know how many prefer tag rugby so draw that one first. Then you can draw the bar for Kwik cricket. Can you see what you should do next?
